**Re: John and Janyce Locke's Responses to the EPA's November 1, 2007 104(e)
Request for Information- Omega Superfund Site, Whittier, CA**

This is John and Janyce Locke's ("Locke") response to the United State's Environmental Protection Agency's ("US EPA") November 1, 2007 104(e) Request for Information regarding the Omega Superfund Site, Whittier, CA.

Confidentiality

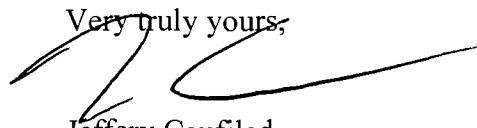

Locke objects to the US EPA's 104(e) request as it requests personal confidential financial information in Question 4(a) and 4(c) below. Locke requests that the confidential information contained within Attachments A and B included with this letter be permanently held as confidential documents. Locke's confidential documents have not been disclosed to any unauthorized third-party entities. Locke's confidential documents have not been obtainable by legitimate means without Locke's consent.

Enclosure B: Questions

If you need any additional information and or have questions regarding the response please let us know and we will respond accordingly. Thank you for your time.

Very truly yours,

A handwritten signature in black ink, appearing to read 'JC' or 'Jeffery Caufield', with a long horizontal stroke extending to the right.
